NDIS Funding

- NDIS Funding may vary in line with participant support needs, if there is a variation you will be notified by email prior to booking confirmation.
- NDIS costs are charged at the TTP (Temporary Transition Payment) rate.
- NDIS cost may vary if quoted times vary. (Quoted times are subject to change)
- Transport costs are included unless otherwise stated.
- Rates may vary in line with increases within the NDIS Price Guidelines.

Activity Cost

- Activity costs are determined by the ticket price of the event (plus parking if necessary) These costs will be invoiced once the tickets have been purchased. If you require more information about the activity cost please contact Social Connections to discuss.
- Social Connections will only purchase tickets once events have been confirmed. If tickets are unavailable for purchase at this time the event will have to be cancelled.
- Activity Costs will be payable within 7 days of the invoice being issued.
- Price costs that occur outside of our control may lead to an increase of the activity cost. You will be notified prior to the activity and issued with a new invoice.

Cancellations

- Once the booking has been confirmed: OPTIONS will require two (2) clear business day (48 hours) notice to remove NDIS cost. For activities that occur on Saturday and Sunday this will mean that notice must be given by 4pm Wednesday in order for us to remove the NDIS cost.
- If you cancel from the activity:
 - OPTIONS will attempt to fill your position on the activity. If a replacement cannot be found the participant will be responsible for any pre-purchased tickets even though they have not attended the activity.
 - If OPTIONS makes a change or cancellation to an activity OPTIONS will endeavor to give you reasonable notice of the change or cancellation. Participants will be responsible for any out of pocket expenses that OPTIONS is unable to get a refund for. Where OPTIONS has been successful in getting a refund, this money will be refunded to the participant.

NDIS Costing

These costing are an estimation based on the location of the event. We complete NDIS costing based on participant bookings, support needs and scheduled times of the event.

Sydney/Newcastle	Public Holiday	Approx. \$625.10

If you require a more accurate costing of an event, please contact the Social Connections team.

For the Activity to Proceed

In order for a planned event to go ahead Social Connections will need to receive a minimum of 3 participants booked into the event. If you have booked into an event and we do not meet the support requirements Social Connections will contact you to offer the event as either a 1:1 or 1:2 support rate. Social Connections will only purchase tickets once events have been confirmed.
